

WARNING: PLEASE CAREFULLY READ THE PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME PAK OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT SAFETY INFORMATION.

## IMPORTANT SAFETY INFORMATION - READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES

Some people (about 1 in 4000) may have seizures or black outs triggered by light flashes, such as while watching TV or playing video games, even if they have never had a seizure before.

Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.

Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

Convulsions Altered vision

Eye or muscle twitching Involuntary movements

Loss of awareness Disorientation

To reduce the likelihood of a seizure when playing video games:

- 1. Sit or stand as far from the screen as possible.
- 2. Play video games on the smallest available television screen.
- 3. Do not play if you are tired or need sleep.
- 4. Play in a well-lit room.
- 5. Take a 10 to 15 minute break every hour.

## AWARNING - Repetitive Motion Injuries

Playing video games can make your muscles, joints or skin hurt after a few hours. Follow these instructions to avoid problems such as Tendonitis, Carpal Tunnel Syndrome or skin irritation:

- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists or arms become tired or sore while playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists or arms during or after play, stop playing and see a doctor.

### **AWARNING** - Battery Leakage

Leakage of battery acid can cause personal injury as well as damage to your Game Boy. If battery leakage occurs, thoroughly wash the affected skin and clothes. Keep battery acid away from your eyes and mouth. Leaking batteries may make popping sounds.

To avoid battery leakage:

- Do not mix used and new batteries (replace all batteries at the same time).
- Do not mix alkaline and carbon zinc batteries.
- Do not mix different brands of batteries.
- Do not use nickel cadmium batteries.
- Do not leave used batteries in the Game Boy. When the batteries are losing their charge, the power light may become dim, the game sounds may become weak, or the display screen may be blank. When this happens, promptly replace all used batteries with new batteries.
- Do not leave batteries in the Game Boy or accessory for long periods of non-use.
- Do not leave the power switch on after the batteries have lost their charge. When you finish using the Game Boy, always slide the power switch OFF.
- Do not recharge the batteries.
- Do not put the batteries in backwards. Make sure that the positive (+) and negative (-) ends are facing in the
  correct directions. Insert the negative end first. When removing batteries, remove the positive end first.
- Do not dispose of batteries in a fire.

## Playing The Game

### Object of the Game

Frogger's main objective is to enter the Temple of the Frog and defeat the evil Mr. D. In order to accomplish this, he must retrieve the stolen elements from each world in the game. In order to progress through the game, you will need to collect 3 Elemental Icons in the first level and 5 Elemental Icons in the second level of every world. Be sure that you listen to Frogger's friends from the swamp as they provide specific instructions and hints.

Frogger's other objective in the game is to collect Coins, which are spread throughout the various worlds. Frogger needs to possess a certain number to gain access to the Temple of the Frog. To collect an Elemental Icon or a Coin, simply hop over it and it registers on your game HUD.

## HUD (Heads Up Display)

The HUD displays all of Frogger's pertinent gameplay information. Included on the HUD are the following items:

Lives Remaining

Coms Collected

Elemental Icons Collected

COINS - Tracks the total number of Coins that Frogger has collected throughout the game.

LIVES - Displays the number of Frogger's remaining lives. When the Lives Counter reaches

0 and Frogger is defeated, the game ends.

ELEMENTAL ICONS COLLECTED - Keeps track of the number of Elemental Icons that Frogger has collected through out the level.

## Overhead Map

The Overhead Map is Frogger's guide through the various worlds and levels of the game. It is used as a level select menu and allows you to choose the area that you wish to play. To select a level, use the Control Pad to move Frogger to the level you want to play, then press the A Button. Remember: Only the worlds that you have completed will be open to select from the Overhead Map.

#### Butterflies

Collect these by jumping on them or using the tongue flick move to gain a bonus life.

### Elemental Icons

Collect these throughout the levels to advance to the boss area of each land.

### Information Mark

#### Checkpoint

Checkpoints are magical markers that record Frogger's progress through a level. If Frogger is defeated in the course of a level, he restarts from the last passed Checkpoint, instead of the beginning of the level.

## Freer's Friends & Foes

Firetty Swamp is home to a number of unusual individuals. Some are allies who will assist Frogger throughout his quest, while others seek to end it prematurely. Here's a description of each character Frogger may encounter on his journey.

### Frogger & his Allies

#### o. Frogger

Frozzer is a happy-go-lucky trog who has yet to experience the real world. He is naïve in many ways, but he is also full of strength and courage. At times, Frozzer's curiosity gets the better of him, so he needs to exercise caution and patience when dealing with things outside of Firetty Swamp.

#### Lumpy the Toad

Lumpy is a wise-cracking old Calun toad, as well as Frogger's best triend. Lumpy is always nervous, and every little sound makes him Jumpy. He is tull of advice for Frogger and always has his triend's best interests at heart.

#### Zippy the Turtle

Zippy looks slow, but is really a deceptively tast turtle. Zippy thinks tast, speaks fast, and runs fast. He is definitely not your typical turtle. While he appears to be over his limit of catteine. Zippy is essentially good-natured and helpful to Frozzer.

#### Senior Chief

Senior Chief is the rough and grizzled old pelican sallor of sea town. Senior Chief has the experience of years at sea, but he absolutely loathes spinach.

#### • Lilly the Fairy Girl

Littly is well-known as the most playful fairy of all. She loves to dance, sing, and play tricks on unsuspecting victims. However, she has taken a liking to Frogger and will help him out in any way that she can. Lilly is the only one who can guide Frogger into Sky City.

## Mr. D & his Henchmen

#### Mr. D

The image of Deam incarnate, Mr. D lurks within the Temple of the Frod waiting for any who would dark to challenge his authority. Mr. D is the embodiment of impending doom that Frozeer most overcome in order to save Finety Swamp. With his menacine scythe and cold-blooded fighting style, Mr. D presents the greatest fest Progres will face in his quest.

#### King Linek

The Stone Goblin Kins is the guardian of the Goblin Caverns. Kins "Dif", as the Goblin Mama Queen calls from is known to be both four-tempered and ereedy. He can hear a coin strike the ground throughout the Goblin Caverns, and is disliked and feared by all goblins in the kingdom.

#### Rattlesnake

Rattlesnake has been sent by the evil Mr. D to guard the Earth Element in the Ancient Ruins. Quick to strike and quick to auden, he is well known for his terrible temper and his ever-present hissess. Frogget will have his work out out for him trying to avoid this vicious and hungry snake. If he is to have any chance of making it out of the ruins alive, Frogget must be brave in the face of mortal dange.

#### Stripe

The leader of all the iteer sharks roams the deadly waters of Sea Town.

Known for his ruthlessness and fast attack speed, adventurers would be use
to try and avoid this monster of the deep. The only way for Progress to defeat
Stripe is to outfox him by hiding in areas outside of his direct view.

#### Miharbl

The evil Sultan of Sky City, Miharbi has made a deal with Mr. D to guard the Wind Element, which he uses to power his vast empire. However, Miharbi does have a weakness – he loves to earnble and Frogger can use this vice against him. Frogger must be very cautious when wagering with the Sultan because although he can win the Wind Element that he seeks, he can also lose his life.
